

Dr. Kavitha Venkatachari

Controller of Examinations

Universal Ai University, Karjat

Dr. Kavitha Venkatachari is a dedicated academic leader with **27 years of experience in higher education**, combining expertise in Business Analytics, Artificial Intelligence, and academic administration. She currently serves as the **Controller of Examinations at Universal AI University, Karjat**, where she oversees the entire examination ecosystem, including academic calendars, assessment processes, result processing, and the timely declaration of results. She has played a key role in strengthening digital examination systems and ensuring transparency, efficiency, and compliance in academic processes.

Dr. Kavitha previously served as the **Dean – School of AI & Future Technologies**, where she contributed to the development of innovative programs and promoted interdisciplinary learning in emerging technologies. She holds a **PhD in Computer Science** and is currently pursuing her **Postdoctoral research at the University of South Florida, USA**. Passionate about research and academic innovation, she has published several research papers and holds multiple patents in Artificial Intelligence and technology-driven solutions.
