## Student Housing Facilities at Universal AI University

At Universal AI University, we understand that a comfortable and secure living environment is essential for student success. Our on-campus **Student Housing facilities** are thoughtfully designed to provide a safe, inclusive, and student-friendly atmosphere that supports academic focus and personal well-being.

The hostels offer **dual and triple sharing rooms**, catering to students' preferences and fostering a sense of community. Each room is equipped with:

- **Air Conditioning (AC)** for a comfortable stay throughout the year
- **Geysers** in bathrooms to ensure access to hot water
- **Aqua Guard water purifiers** for clean and safe drinking water

The hostels are well-maintained and supervised by dedicated staff to ensure hygiene, safety, and discipline. In addition to basic amenities, students have access to common areas for recreation, study, and social interaction.

With 24/7 security, regular housekeeping, and proximity to academic blocks, the hostel facilities at Universal AI University aim to offer students a home away from home, creating the ideal environment for holistic growth.
