

Dr. Subhasish Banerjee
Ombudsperson, Universal Ai University, Karjat

Dr. Subhasish Banerjee is a distinguished academic leader and seasoned administrator with over four decades of experience across academia, research, and industry. He holds a Ph.D. and M.Tech from Jadavpur University and a B.E. in Electrical Engineering from Bengal Engineering College, Shibpur.

Over the years, Dr. Banerjee has served in several senior leadership positions, including Pro Vice Chancellor at Brainware University and Principal at reputed institutions such as Elite College of Engineering and Camellia Institute of Engineering. He has also been Head of the Department of Electrical Engineering at the Calcutta Institute of Engineering and Management and has long been associated with Jadavpur University as a Guest Faculty.

In addition to his academic career, Dr. Banerjee brings rich industrial experience from his tenure with organizations like Macneill Engineering Ltd. (Williamson Magor Group), The Associated Cement Company Ltd., Kesoram Rayon, and Shaw Wallace & Co Ltd., where he served as Maintenance Engineer at their Haldia plant in West Bengal. In these roles he was instrumental in process optimization and maintenance management.

A respected researcher, he has published in reputed IEEE journals and presented papers at national and international conferences. His doctoral research focused on Optimization of Electric Field by Colony of Social Agents Supported by Machine Intelligence.

As the Ombudsperson of Universal AI University, Karjat, Dr. Banerjee upholds the university's commitment to transparency, fairness, and ethical governance. He plays a pivotal role in ensuring a just and impartial grievance redressal process for students, faculty, and staff, thereby fostering a culture of trust, accountability, and academic integrity within the university community.
