WELCOME TO UNIVERSAL AI UNIVERSITY,

We are committed to crafting leaders with character and equipping them with the technologies of the future. Our diverse range of degree programs in Business Management, Liberal Arts, Environment Sciences, AI, Design, Law, Sports, Commerce, and International Diplomacy will empower students to become leaders in a global context in their field while promoting sustainability and entrepreneurship.

Nestled in the breath-taking location of Karjat, surrounded by mountains, our university is not just a place of learning but one with a Soul. We focus on the 3 P's, which are Purpose, Passion and Professionalism to ensure our students are well-rounded individuals and are prepared to make a real impact in the world through the triple bottom line (People, Planet & Prosperity) framework creating a positive social, environment and economic impact.

With the world moving towards more automation and digital transformation, AI education and research is highly important for a country to stay competitive in the global economy, thus, Universal Ai University will be a key driver of the country's growth and development in the 21st century by teaching Universal skillsets. Additionally, the university would serve as a research hub for the development of new AI technologies, which would bring economic and technological benefits to India.

At our university, we're dedicated to providing students with cutting-edge knowledge and skills in Artificial Intelligence, Machine Learning, and Data Science. Our state-of-the-art facilities, renowned faculty who are leading experts in the field, innovative curriculum and andragogy ensure that our students are equipped with the tools they need to excel in the fast-paced tech industry.

Our focus on hands-on experiential and immersive learning, industry partnerships backed by 60 Global CEO's, and real-world CMAPS (Collaborative Multidisciplinary Approach towards Problem Solving) projects cannot be found anywhere else. Graduates of our programs will be well-prepared for a variety of exciting and lucrative career paths, including roles in data analysis, AI and machine learning which will be applicable to the fields of Business, Environmental Studies, Design, Law, Sports, Liberal Arts and International Diplomacy.

Be at the forefront of shaping the future with AI technology to make yourself future proof.

BECOME A PART OF THE AI REVOLUTION BY JOINING AI-MAZING UNIVERSITY!!

BSc (Mech. Engineering) - Massachusetts Institute of Technology
(MIT-USA) MBA - SMU Cox School of Business (USA)
PhD-SMU Lyle School of Engineering (USA)

#Soarhigh #Soarfar #Soarfast #Soarstrong

WELCOME TO UNIVERSAL Ai UNIVERSITY,

I recently relocated from Dallas Texas USA because I wanted to be part of an exciting new university which is India's 1st AI university. We are located in the green rolling hills of Karjat, a short one and a half hour drive from Mumbai, which is ideal for academic studies – close enough to the big city but far enough to focus on studies.

Built on the foundation of the flagship School of Management, the vision of Universal AI University as a newly established university is to groom global citizens who will positively impact the world using AI. We will differentiate ourselves from other universities in three areas:

- ✔ **The curriculum** – 100% AI. All graduates will either be AI developers or AI power users. For example, we offer one of the world's first BBA in AI, which means that we are teaching our students to solve business problems using AI. We also focus on experiential learning, which means we are a hands-on university.
- ✔ **The student experience** – We will incorporate USA/Texas college traditions with existing traditions to enhance the student experience, giving students a more global perspective. For example, I plan to introduce American football, the #1 sport in Texas and in the US, to students. I also want to build an enduring school spirit so that alumni of UAI can stand proud of their alma mater, and when they meet other alumni in the marketplace throughout the world.
- ✔ **Campus-wide innovation and entrepreneurship** – I will bring the best practices from the US and Silicon Valley to create campus-wide entrepreneurship programs for students across all schools. Whether your career goal is to start a company that can IPO and create maximum economic impact, such as jobs, or work as a corporate employee, we will teach you how to be an entrepreneur, or an intrapreneur inside of an existing corporate to help your employer create new businesses.

As the university grows, we will launch additional future schools where AI can have an outsized impact.

If you are considering UG/PG-MBA studies, I would ask that you consider the curriculum, the student experience, and the campus location in your decision. Should you honor us with your attendance at UAI, we promise you an experience beyond your imagination, and an education foundation to help you prosper as an entrepreneur, or as a corporate employee and leader, and as a global citizen.

FROM THE VICE
CHANCELLOR'S
DESK

Vision & Mission

VISION

To create impactful knowledge and develop innovative, ethical, responsible, and global leaders who will transform organisations and society at large.

MISSION

To drive excellence in education, impactful research, and strong community engagement, resulting in a positive societal impact on our ecosystem that will help transform organizations and society at large.

An Innovative Learning Model - 3 E's

UAI is committed to deliver a life-changing educational experience to Indian and International students. This makes our students corporate ready from the early stage of their career. UAI University follows the 3E Model in imparting education.

ETHICS | EXPERIENTIAL LEARNING | ENVIRONMENT

UAI follows 3 E's Model and impact educations

Sustainability Impact & Economics, Social, Governance

All major corporations are expected to account for their environmental and social footprint. This is carried out through a diverse set of standards, frameworks, and metrics related to what is referred to as an ESG (environment, social, governance) report. Such reporting enables the corporations to better manage their contributions to the attainment of the United Nations SDGs (Sustainable Development Goals).

Universal Ai University has emerged as a disruptor in the SDG landscape, by being the first business school in India to launch its own ESG report, disclosing its environmental and social footprint and re-affirming its position as India's 1st Green Business School.

India's 1st Green University

Benefits of Integrating AI in the Curriculum

Including AI modules in the curriculum can have numerous benefits, such as:

Better Employability

Adding AI modules to the curriculum can help students learn skills and knowledge that are useful in the job market today, since there is a growing need for AI experts in many areas, such as manufacturing, finance, and healthcare.

Improved Problem-Solving Skills

AI modules can help develop critical thinking and problem-solving skills, which are important for dealing with hard problems in the real world.

Enhanced Effectiveness

AI can automate boring tasks and make them more efficient, which saves money and increases output.

Enhanced Choice-Making

AI can give us insights and predictions that help us make better decisions, which leads to better results.

Competitive Edge

A Industries that include AI modules in their training programs can stay ahead of the curve and meet the needs of a world where technology changes quickly.

Improved Client Service

AI can assist in enhancing customer service by giving individualised suggestions and prompt responses to inquiries.

Possibilities For Innovation

AI can give students the tools they need to try new things and come up with new ways to solve problems in their fields.

School of Design

B.Des with AI – Fashion Design / Communication Design / Strategic Design Management / Product Design

At the School of Design, UAi, we are pioneering a new era of design education that blends creativity with intelligence. Located in the serene, innovation-driven campus of Karjat, our design programs are built for the future—with AI at their core.

Whether you're shaping fashion, crafting products, telling stories through visual media, or managing design as strategy, this is where your journey begins. With global perspectives, hands-on learning, and industry integration, our graduates don't just follow trends—they set them.

Program Highlights

- 1 AI-Embedded Design Curriculum**
First-of-its-kind program that fuses design fundamentals with emerging AI technologies to drive innovation.
- 2 Project-Based, Application-Driven Learning**
A 100% industry driven, application based, and hands-on approach focused on real-world problem solving.
- 3 Transdisciplinary Collaboration**
Work across design, business, technology, environment and society—encouraging holistic thinking and user centric impactful outcomes.
- 4 Mentorship by Leading Experts**
Learn from globally renowned academicians, practicing designers, entrepreneurs, and strategists.
- 5 Industry Immersion & Global Exposure**
Engage in live projects, industry internships, and global exchange opportunities to develop a competitive edge.

Career Opportunities

Fashion Design

- 1 Fashion Designer
- 2 Fashion Consultant
- 3 Costume Designer
- 4 Stylist
- 5 Fashion Merchandiser
- 6 Fashion Buyer
- 7 Fashion Technologist
- 8 Textile Designer
- 9 Fashion Illustrator

Doctoral Program - Ph.D.

Ph.D. is a full-time, residential doctoral program offering studies in different fields of management and cross-functional areas. The program aims to train prospective scholars to become highly skilled and innovative researchers and teachers in various fields (aspects) of management and relevant areas. It primarily aims at preparing scholars for careers as faculty members at premier academic institutions and for position outside academics requiring advanced research and analytical capabilities.

Program Highlights

- Ph.D. at India's First AI University by using cutting-edge technology & expert faculty Advanced Knowledge and Expertise
- Doctoral candidates will work closely with faculty advisors and engage in independent research projects that contribute to the existing body of knowledge in their field.
- The skills developed during the Ph.D., including research, problem-solving, and analytical thinking, are highly transferable and sought after in various professional fields.
- Collaboration and Networking with 200+ CEOs & CXOs

A candidate can pursue research in the following areas:

- Computer Science
- Liberal Arts (Economics & Psychology)
- Management

Mode of Study: Full-time or Part-time

Visit Universal Ai website for the curriculum

Admission Criteria and Application Process

Undergraduate Programs | Postgraduate Programs | Executive Programs | Doctoral Programs

Undergraduate Programs

Applications are open from all streams (Science / Commerce / Humanities) and across all Indian & International Boards (IBDP / AP / A-Level / HSC / CBSE or 12th Grade Equivalent). ***Experience India's 1st Metaverse & AI-based***

Eligibility for Applying

The candidate must either have completed Class XII, or be completing it in the same year in which she/he seeks to begin their undergraduate study

Candidates from any stream, or studying any combination of subjects can apply

All Indian Board Students - Minimum of 65% in Class 10th & 12th | Diploma Holder or Certificate (based on application) - 24 Points | Cambridge - Minimum of 2 Subjects

Criteria and Weightage

Academics & Other Supporting Documents	50%
Entrance Test (Universal Ai / Other National Level Test / Portfolio)	25%
Interview	25%

**UAI as recognized
First Indian University
to accept AP Credits**

 **CollegeBoard**

Admission Process

Universal Ai University follows a rolling admissions policy. Rolling admissions means that other things equal, candidates who apply earlier have a higher likelihood of being accepted onto the programs of their choice. It also means that applications will be closed as soon as all the seats are filled.

The process comprises of four steps –

STEP 01

Filling the Application Form (Online) | Available on Universal Ai University Website | Application Fee is INR 2,000 / USD 35 / GBP 20 / EUR 25

STEP 02

Submit Documents | Attach Class 10th marksheet, Class 12th marksheet (if available at that time), Passport size photograph, Statement of Purpose, 2 Letters of Recommendation, Extra-curricular or Co-curricular activities, Portfolio

STEP 03

Appearing for Universal AI University Aptitude Test (UBSAT) / SAT / ACT / PEARSON / CUET / UGAT / JEE / MH CET / UCEED / NID / Other National ET or Submitting a Portfolio

STEP 04

Appearing for the Personal Interview (PI) | All PI's will happen online via Zoom by an AI-Bot named Droid or a Faculty member

Once all four steps are completed, a candidate's application will be reviewed by the Admissions Committee in full. The final admission decision will take into consideration the overall candidature. Candidates who perform well in the admission process may be made a provisional offer of admission, even if their Class XII Board scores have not been declared until then.

Duration : 90 Minutes
100 questions
(No Negative Marking)

Test Format - Aptitude Test & Psychometric Test

English Language & Comprehension	20%	Quantitative Ability	20%	Green Thinking and Creativity	20%
Global & Indian Current Affairs	20%	Analytical & Logical Reasoning	20%		

Admission Criteria and Application Process

Universal Ai University Mascot - HawkAi

#SoarHigh #SoarFar #SoarFast #SoarStrong!

Unveiling by Padma Bhushan Gulzar Sahab & Tarun Anand, Chancellor

University Mascot Idea came from Dr. Simon Mak, Vice-Chancellor (MIT, USA)

Inspired by Guru Gobind Singh Ji, the tenth Sikh Guru, a warrior, poet and philosopher who would carry a Hawk perched on his hands which is considered a symbol of heightened awareness, the ebb and flow of the Guru, the new mascot 'Hawk Ai' would symbolised the attributes of Universal Ai University's mission to embrace the ever- soaring heights of new-age global education with standards, ethics, environment at its core in AI - led education. The mascot was unveiled by Padma Bhushan Shri Gulzar Sahab.

The slogan set, as a Cheer with the new mascot in motion was 'Soar High, Soar Far, Soar Fast, Soar Strong'.

The values of our Mascot named HawkAi resonates with the values of Universal Ai, which are as follows: Freedom | Courage | Carefree and Open | Self-Reliance | Nobility

Women Power Play

We believe that women have a huge role in the community & can make a significant difference. Women will raise the next generation & educate them; that is why, at Universal Ai University, we care about women empowerment. We empower them to be leaders, to be strong, to reach the top echelons of management & positively impact our world.

52% Leaders are Women Leaders

43% of our Student Body is Woman (One of the highest in India)

"Woman a creation with different forms, A voice with multiple shades" Multiple small steps taken can cause a big change and it's our responsibility to take those baby steps to the visioned future So are you ready to take your step with us?

Youth Leadership

In the words of Nelson Mandela, “The youth of today are leaders of tomorrow” and at Universal Ai, we make CEOs! There are various extra-curricular/student engagement activities to bring out the best in the students.

EXPERIENTIAL LEARNING CORPORATION (ELC)

Real targets, real board meetings, real valuation & mentoring by a Global CEO. ELC is the answer to your yearning to become a real VP and get promoted to a CEO, CMO, CFO of a Pvt. Ltd. company.

EXPERIENTIAL LEARNING

A DYNAMIC SPORTS COMMUNITY

Awarded with “Best Sports Integrated Program” by The Times of India, Universal Ai University focuses on holistic development of its students.

Student Services

CAREER DEVELOPMENT

Universal Ai University focuses on making the students corporate ready while they continue with their academic goals. Our inhouse SAVI model starts with self-assessment of each student on competencies, goals, value propositions & individual SWOT. The internal faculty & industry professionals evaluate each student through a validation process to identify the gaps & prepare a student road map so that we can build on the strengths of the students through regular industry interventions.

HEALTH & MEDICAL FACILITIES

Minor injuries & ailments are taken care by our in-house nurse who is available round the clock for the students. In case of serious medical emergencies, Raigad Hospital is 25 minutes away from the campus & the Wardens personally aides the students. Disability Services : Keeping the motto of being an inclusive B-School, the campus has been designed to be disabled friendly and facilities are provided to the differently abled students.

VISA SUPPORT SERVICES

Partner University will facilitate students and enable them regarding the visa process and documentation.

PLACEMENT SERVICES

Our massive placement team has its presence PAN India offering multiple placement and internship opportunities to our students with 245+ companies on campus. The team facilitates the interview & selection process and works closely with students for building their network. Finance & Welfare Advisory : Our Finance & Welfare Advisory team aims at supporting the students to avail education loans from banks, Instalment facilities, advise them on eligibility criteria, documentation & scholarships.

TRANSPORT FACILITIES

Daily transportation services are provided to & from Universal Ai University campus to Karjat station & market. Campus car & driver services are also available for the students on 12 hour hire basis. For local commutation, another option is auto rickshaws which is available from right outside the campus.

MENTORING & COUNSELLING

Each student has a mentor on campus who they meet every week on Tuesdays. The Mentor acts as the "Local guardian" & coaches the students on academic performance, personal issues, behavioural issues, personal grooming, current affairs, mock interviews & career building.

MULTI FAITH COMMUNITY

Being a truly Universal, Universal Ai University is one big multi-faith family where all the cultural events & festivals across all religions are celebrated with great enthusiasm & love.

Research Data

Mumbai – The City of Dreams - Best of Both Worlds

Being in Karjat Campus is the 'best of both worlds' dynamic – secluded campus with quick access to the fabled City of Dreams, Mumbai – makes for an unforgettable experience for Universal AI University students.

“Mumbai is an epitome of cinema, arts, music, business and history”. “It’s hard to not fall in love with such a magnificent city because of its vibrancy, style, street food, and nightlife. Its close proximity to Mumbai (1.5 hours drive) allows us to attract top CEOs and CXOs from the corporate world who find Karjat a green haven. Karjat known as the ‘Hamptons of Mumbai’ has mountains, rivers, lakes, and waterfalls, and senior executives absolutely love the ambience in natural surroundings.

Living in the lap of nature and the heart of greenery gives a completely pollution-free environment which adds one year to the student’s life and well-being.

Living in a residential campus allows us to transform students' lives 24*7 as 50% of the learning is outside the classroom and students are engaged in a plethora of experiential learning activities.

The significant time saved by the students in a residential campus can be used in better pursuits of rest, sleep, reading, sports, entertainment, or pursuing one’s hobbies and rejuvenating the mind and body.

Growth Success Story
