SHAPING THE FUTURE OF TECHNOLOGY

A Legacy of AI and Tech Education

Founded in 2009 by a **Global CEO** on a 40-acre fully-residential campus in a heart of a valley in Karjat, near Mumbai. Built truly on the concept of '**for industry, by industry**', we are among Asia's first universities to have **60 leading CEOs on Advisory Board**, who guides us on evolving skills that industry demands.

Ranked the 2nd most attractive B-School in India by GMAC, by students from 30+ countries, we hold a **Five-Star University** rating from India Today. Our school has also earned the prestigious 'LEVEL 5 - PIONEERING School' Positive Impact Rating from Switzerland, putting us as **Top 11 B-School in the World**.

Our students create societal impact through **SMART projects**, while our faculty, with 40+ patents and 350+ research publications, host international conferences, fostering a global research community. At Universal Ai University, nearly **50% of all learning**—academic and non-academic—is powered by **AI tools and methods**, enabling students to master both knowledge and life skills through real-world, tech-enabled experiences.

Padma Shri

Ms. Arundhati Bhattacharya

Chairperson & CEO, Salesforce;
Fmr. Chairman, SBI

"I was amazed at the greenery & the principle of sustainability adopted by UAI. UAI emphasis on sustainability is a gift to its students – because being conscious & frugal is not about living in deprivation. They are making their students realise that the earth has finite resources & they must not be taken for granted. This understanding will go a long way in their professional lives."

Mr. P. R. Ramesh

Fmr. Chairman,
Deloitte India

"UAI is high quality institution with quality faculty. I have interacted with your Founders & I am truly impressed & I am sure this institution will live up to its name of being Universal and will soon have a footprint, which is visible across the world."
