**MBA (SPJIMR) | Ex. Ed. Michigan B-School (USA) |
Tuck Business School (USA) | IE Business School (Spain)**

WELCOME TO UNIVERSAL Ai UNIVERSITY,

We are committed to crafting leaders with character and equipping them with the technologies of the future. Our diverse range of AI-embedded degree programs in the field of Engineering, Management, Liberal Arts, Design and Sound will empower students to become leaders in a global context in their field while promoting sustainability and entrepreneurship.

Nestled in the breath-taking location of Karjat, near Mumbai, surrounded by mountains, our university is not just a place of learning but one with a Soul. We focus on the 3 P's, which are Purpose, Passion and Professionalism to ensure our students are well-rounded individuals and are prepared to make a real impact in the world through the triple bottom line (People, Planet & Prosperity) framework creating a positive social, environment and economic impact.

With the world moving towards more automation and digital transformation, AI education and research is highly important for a country to stay competitive in the global economy, thus, Universal Ai University will be a key driver of the country's growth and development in the 21st century by teaching Universal skillsets. Additionally, the university would serve as a research hub for the development of new AI technologies, which would bring economic and technological benefits to India.

At our university, we're dedicated to providing students with cutting-edge knowledge and skills in Artificial Intelligence, Machine Learning, and Data Science. Our state-of-the-art facilities, renowned faculty who are leading experts in the field, innovative curriculum and andragogy ensure that our students are equipped with the tools they need to excel in the fast-paced tech industry.

Our focus on hands-on experiential and immersive learning, industry partnerships backed by 60 Global CEOs, and real-world CMAPS (Collaborative Multidisciplinary Approach towards Problem Solving) projects cannot be found anywhere else. Graduates of our programs will be well-prepared for a variety of exciting and lucrative career paths. Having Univitt Technologies Pvt. Ltd., the in-house technology company at UAi, also provides students and faculty with hands-on opportunities to learn, innovate, and consult on real-world AI projects with leading global enterprises like Spotify, Forbes, Turner, KPMG, and many more.

Be at the forefront of shaping the future with AI technology to make yourself future proof.

BECOME A PART OF THE AI REVOLUTION BY JOINING AI-MAZING UNIVERSITY!!

BSc (Mech. Engineering) - Massachusetts Institute of Technology
(MIT-USA) MBA - SMU Cox School of Business (USA)
PhD-SMU Lyle School of Engineering (USA)

#SoarHigh #SoarFar #SoarFast #SoarStrong

WELCOME TO UNIVERSAL Ai UNIVERSITY,

I relocated from Dallas Texas USA because I wanted to be part of an exciting new university which is India's 1st AI university. We are located in the green rolling hills of Karjat, a short one and a half hour drive from Mumbai, which is ideal for academic studies – close enough to the big city but far enough to focus on studies.

Built on the foundation of the flagship School of Management, the vision of Universal Ai University as a newly established university is to groom global citizens who will positively impact the world using AI. We will differentiate ourselves from other universities in three areas:

- ✓ **The curriculum** – 100% AI. All graduates will either be AI developers or AI power users. For example, we offer one of the world's first BBA in AI, which means that we are teaching our students to solve business problems using AI. We also focus on experiential learning, which means we are a hands-on university.
- ✓ **The student experience** – We will incorporate USA/Texas college traditions with existing traditions to enhance the student experience, giving students a more global perspective. For example, I plan to introduce American football, the #1 sport in Texas and in the US, to students. I also want to build an enduring school spirit so that alumni of UAi can stand proud of their alma mater, and when they meet other alumni in the marketplace throughout the world.
- ✓ **Campus-wide innovation and entrepreneurship** – I will bring the best practices from the US and Silicon Valley to create campus-wide entrepreneurship programs for students across all schools. Whether your career goal is to start a company that can IPO and create maximum economic impact, such as jobs, or work as a corporate employee, we will teach you how to be an entrepreneur, or an intrapreneur inside of an existing corporate to help your employer create new businesses.

As the university grows, we will launch additional future schools where AI can have an outsized impact.

If you are considering UG/PG-MBA studies, I would ask that you consider the curriculum, the student experience, and the campus location in your decision. Should you honor us with your attendance at UAi, we promise you an experience beyond your imagination, 2 and an education foundation to help you prosper as an entrepreneur, or as a corporate employee and leader, and as a global citizen.

FROM THE VICE
CHANCELLOR'S
DESK

Vision & Mission

VISION

To create impactful knowledge and develop innovative, ethical, responsible, and global leaders who will transform organisations and society at large.

MISSION

To drive excellence in education, impactful research, and strong community engagement, resulting in a positive societal impact on our ecosystem that will help transform organizations and society at large.

An Innovative Learning Model - 3 E's

UAI is committed to deliver a life-changing educational experience to Indian and International students. This makes our students corporate ready from the early stage of their career.

ETHICS | EXPERIENTIAL LEARNING | ENVIRONMENT

UAI follows the 3E's Model to blend Ethics, Experience, and Environment for real-world impact, using Technology.

Sustainability Impact & Economics, Social, Governance

All major corporations are expected to account for their environmental and social footprint. This is carried out through a diverse set of standards, frameworks, and metrics related to what is referred to as an ESG (environment, social, governance) report. Such reporting enables the corporations to better manage their contributions to the attainment of the United Nations SDGs (Sustainable Development Goals).

Universal Ai University has emerged as a disruptor in the SDG landscape, by being the first business school in India to launch its own ESG report, disclosing its environmental and social footprint and re-affirming it's position as India's 1st Green Business School.

India's 1st Green University

Plantation Drive

Solar Energy Plant

Waste Management Plant

CONSULTING PROJECTS

PUTTING AI IN MUMBAI

COVER STORY
ARTIFICIAL INTELLIGENCE

Artificial intelligence is advancing faster than expected, reshaping not just technology and economy, but also society, politics and global power dynamics. Recognising AI's strategic importance, India is implementing an ambitious plan to create its own AI ecosystem of homegrown models and computing infrastructures. With its financial resources and vibrant tech-academia scene, Mumbai is emerging as the AI powerhouse driving India's technological transformation

The rapid adoption of AI demands regulation. In 2022, Maharashtra passed the Universal AI University Act, establishing India's first AI-dedicated university in Karjat near Mumbai - the world's third, after institutions in France & the UAE.

Founded in 2009 as a business school by former Thomson Reuters executive Tarun Anand, the university now offers "AI-embedded" courses across disciplines. Anand recognised AI's potential during his time at Reuters, where "hedge funds consumed truckloads of market data & used algorithms to predict outcomes." By 2005, he told THE WEEK, "algorithmic trading was the norm in Chicago."

If we are not careful, we may lose control over AI in five to ten years: Naval Nooh Harari, historian and philosopher

WE NEED GUARDRAILS - RULES THAT ENSURE THAT AI IS USED RESPONSIBLY BY GOVERNMENTS, BUSINESS & SOCIETY.

One of the university's innovations is an AI-powered psychology programme. Students input a patient's social,

financial & educational background into an AI model trained on demographic & psychological data. When they add symptoms like depression or anxiety, AI predicts possible remedies. "The more

the data, the better the prediction," said Anand. "By year three, the model might be accurate 4 out of 10 times. In five years, with one lakh patients, maybe eight or even 10 out of 10."

But AI's power comes with risks. "In the wrong hands, the consequences could be devastating," Anand said.

At C-Minds, Agarwal highlighted the emerging danger of AI-generated videos that are hypothetically addictive. "These videos are trained on content that looks children," he said. "AI optimises visual-world shapes, colours, sequences, hacking into a child's neurological system. They simply cannot look away."

This underscores the need for regulation. "We need guardrails-rules that ensure that AI is used responsibly by governments, businesses & society," said Anand.

Built on the Power of AI: The UAi Advantage

At UAi, every program is built on a foundation of Artificial Intelligence. We prepare future-ready leaders who are AI Power Users first, and industry innovators next — capable of using AI to solve problems faster, smarter, and more creatively, while making a positive impact on society.

AI for All

Every fresher — UG or PG — begins their journey with AI courses in their first term, learning to use AI tools confidently and ethically.

Coding for the Future

All students take a foundational Python programming course, enabling them to go beyond prompting and truly understand how AI works.

AI Foundations Certificate

Students prove their skills through an AI Foundations Aptitude Test and earn their first certification.

AI in Action

Students then learn to apply AI to their specialization — whether in Management, Design, Psychology, Sound, Engineering, or beyond — using AI to create smarter, lower-cost, and more creative solutions.

Advanced AI Certification

Before graduation, every student takes a Specialized AI Aptitude Test, earning an advanced certificate showcasing their applied AI expertise.

AI ISN'T A SUBJECT
It's UAians DNA.

Our Programs

SCHOOL OF SOCIAL, LIBERAL ARTS & BEHAVIOURAL SCIENCES

- B.Sc Psychology with AI

SCHOOL OF MUSIC, SOUND & CINEMATICS

- B.Tech Sound Engineering
- B.A. in Music & Audio Production (Hons.)

SCHOOL OF ENVIRONMENT & SUSTAINABILITY*

- B.Sc Environment Sciences

SCHOOL OF AI & FUTURE TECHNOLOGIES

- B.Tech Computer Science in AI & ML
- B.Tech Computer Science in Data Science
- Integrated Program in Technology & Management IPTM (B.Tech + MBA with AI - Dual Specialisation)

SCHOOL OF DESIGN B.Des with AI

- Fashion Design
- Communication Design
- Strategic Design Management
- Product Design

SCHOOL OF GLOBAL AFFAIRS*

- B.A. Global Affairs
- M.A. International Affairs & Diplomacy

SCHOOL OF SPORTS SCIENCES*

- B.Sc Sports & Exercise Science
- B.A. Sports Management

DOCTORAL PROGRAMS

- Ph.D.

EXECUTIVE PROGRAMS

- Executive MBA

SCHOOL OF MANAGEMENT UG PROGRAMS

- BBA in AI - Finance / FinTech / Marketing & Digital E-Commerce
- Global BBA with AI (2 months in Europe)
- Integrated Program in Management (IPM) - BBA + MBA

PG PROGRAMS – UGC APPROVED

- MBA Single Specialisation
- MBA with AI Dual Specialisation
- MBA Global with International Immersion

Programs Offering

Our innovative approach to education is changing the face of business, equipping the next generation of leaders with the knowledge and skills to drive positive change in their organizations and the world.

Be a part of this movement and make a lasting impact.

Pursue Your Passion

School of AI & Future Technologies

School of Design

School of Management

School of Music, Sound & Cinematics

School of Social, Liberal Arts & Behavioural Sciences

Note: The University reserves the right to modify or update any information or policy in accordance with UAI regulations and UGC guidelines. Curriculum revisions, as approved by the Board of Studies (BoS), may be implemented across all Schools. The latest updates and notifications will always be available on the official UAI website.

B.Tech (Computer Science) in AI & ML / Data Science - 4 Years | IPTM (B.Tech + MBA) - 5 Years

B.Tech (Bachelor of Technology) has become increasingly popular due to the rapid growth of AI and its applications in various fields. One of a kind partnership is with LTIMindtree for entire curriculum creation, delivery, internships, and placements.

Advantages

- India's 1st and only B.Tech program with Academic partnership with \$4 billion company – LTIMindtree
- Technological Advancements and Innovation & Cross-Disciplinary Learning
- Programming and Data Tools such as Python, R, and SQL. Students also learn how to use data analysis tools, data visualization libraries, and other software commonly used in the industry.
- Dual Advantage: Earn both a B.Tech and MBA degree in just 5 years, gaining a powerful combination of technical and managerial skills.

Program Highlights

2 Internships	2 CMAPS (Collaborative Multi-disciplinary Approach towards Problem Solving)	1 SMART Project	4/5 years of Leadership Development	1 Research Paper
1 Capstone Project	1 SDG (Sustainability Development Goals) Project	1 AI Project	63% Skill Development & Experiential Learning	47% AI Lab Work

School of Design

B.Des with AI – Fashion Design / Communication Design / Strategic Design Management / Product Design - 4 Years

At the School of Design, UAI, we are pioneering a new era of design education that blends creativity with intelligence. Located in the serene, innovation-driven campus of Karjat, our design programs are built for the future—with AI at their core.

Whether you're shaping fashion, crafting products, telling stories through visual media, or managing design as strategy, this is where your journey begins. With global perspectives, hands-on learning, and industry integration, our graduates don't just follow trends—they set them.

Program Highlights

- 1 AI-Embedded Design Curriculum
- 2 Project-Based, Application-Driven Learning
- 3 Transdisciplinary Collaboration
- 4 Mentorship by Leading Experts
- 5 Industry Immersion & Global Exposure

Career Opportunities

Fashion Design

- 1 Fashion Designer
- 2 Fashion Consultant
- 3 Costume Designer
- 4 Stylist
- 5 Fashion Merchandiser
- 6 Fashion Buyer
- 7 Fashion Technologist
- 8 Textile Designer
- 9 Fashion Illustrator

Communication Design

- 1 Graphic Designer
- 2 UI/UX Designer
- 3 Animator
- 4 Motion Graphic Artist
- 5 Branding & Identity Designer
- 6 Art Director
- 7 Advertisement & Entertainment
- 8 Design Entrepreneur
- 9 Design Educator

Product Design

- 1 Product Designer
- 2 UX | UI Designer
- 3 Service Designer
- 4 Packaging Designer
- 5 Innovation Consultant
- 6 Design Researcher
- 7 Art Director
- 8 Creative Director
- 9 User Centred Designer

Strategic Design Management

- 1 Brand Strategist
- 2 Design Manager
- 3 Innovation Manager/Consultant
- 4 Business Designer
- 5 User Researcher
- 6 CX/UX Strategist
- 7 Service Designer

School of Management

BBA in AI - Finance / FinTech / Marketing & Digital E-Commerce 3/4 Years | Global BBA with AI - 3/4 Years | IPM (BBA + MBA) - 5 Years

Universal Ai University is India's 1st AI University giving a unique combination of BBA in AI + Marketing/Finance to the students to be ahead of the game. On completion of a degree covered by the subject benchmark statement, a student will have the AI skills, subject-specific knowledge and understanding, cognitive skills, practical and professional and transferable skills.

Advantages

- **AI-Integrated Curriculum:** Experience a cutting-edge curriculum that fuses traditional management education with advanced AI and digital transformation modules.
- **Global Exposure:** Spend 2 months in Europe & earn European credits too.
- **Dual Advantage:** Study India's 1st AI-integrated BBA + MBA (Integrated Program in Management) in 5 years & gain a powerful combination of technical and managerial skills.

Program Highlights

1 Internships

2 CMAPS (Collaborative Multi-disciplinary Approach towards Problem Solving)

1 SMART Project

3/5 Years of Leadership Development

BULGARIA

UGC Approved MBA - Year 1

Our faculty bring their international business experience to the classroom and employ innovative approaches like the 50 hours live Case Blazer, #Trending, Business Baazigar and Think-A-Thon for the MBA program. The contemporary curriculum is designed for Industry 4.0 by our professors having worked with MNC's at top management positions. The essence of the program is the Action learning Experiential courses (credit bearing), where the student will have an immersive learning experience.

Super 6 AI Foundations: *Start Smart, Build Strong*

Fundamentals of AI & Business Statistics

AI Ethics and Governance

AI Programming with Python

AI Tools & Prompt Engineering

Entrepreneurial Opportunities with AI

Business Analytics with AI

Core Modules

- Intelligent Financial Accounting
- Operations Management
- Next Gen Marketing Management
- Organizational Behavior
- Economics for Managers with IER (Indian Economic Review)
- Corporate Finance
- Selling and Negotiations
- Automated Human Resource Management
- Legal Approach to Business
- Strategic Management
- Entrepreneurship Management
- Project Management
- iBusiness Research Methods

Note: Subject to approval of BOS

Experiential Learning

- Leadership Development Potential
- Mentoring
- Wisdom Towards Self Excellence
- Management of Self
- Experiential Learning Toolkit (Tri Business / Case Blazer/ Thomson Reuters)
- SMART (Societal Management Aptitude & Responsibility Temperament) Project
- CMAPS (Collaborative Approach Towards Problem-Solving) I & II
- Summer Internship
- Design Thinking & Innovation
- Research Paper Publication
- CAP (Consulting Aptitude Project)
- Sports

Optional

- Universal Philosophies Impacting Society / CMAPS II

UGC Approved MBA (Single Specialisation) - Year 2

1 Marketing (Major)

- Sales & Distribution Management
- Fundamentals of Digital Marketing & AI
- Retail Marketing Strategy
- Consumer Behaviour
- Advanced Digital Marketing & Agentic AI
- Product & Brand Management
- Marketing Analytics
- Global Marketing Strategy
- Services Marketing
- Luxury Marketing
- Integrated Marketing Communication
- Green Marketing Project

2 Finance (Major)

- Tax Planning
- Investment Analytics
- Banking & Micro Finance
- Financial Products & Services
- Financial Modeling
- AI enabled Securities Analysis & Portfolio Management
- Financial Planning & Analytics
- Mutual Fund Product & Strategy
- Fintech with AI
- Wealth Management
- Financial Risk Management Using AI Tools
- Green Finance Project

3 Human Resources (Major)

- AI powered Talent Acquisition & Management
- NextGen Learning & Development
- AI driven Competency Mapping & Performance Management
- People Engagement & AI empowered Counseling
- AI enabled Compensation & Benefits
- Visual Analytics
- HR Analytics
- Diversity, Equity & Inclusion
- Policies and Practices in HRM
- Organizational Design & Development
- Emotional Intelligence & Mental and Wellbeing
- Green HR Project

MBA (GENERAL) VISION

To create impactful knowledge and develop innovative, ethical, responsible and global leaders, who will transform organizations and society at large.

Note:

- 1) Eligibility for Finance Specification is 60% in Term 1 & Term 2 + Internal Assessment Test (IAT)
- 2) Eligibility for BA & AI is 60% in Business Statistics + 60% in Advance Excel + 60% in Research Methodology + Internal Assessment Test (IAT)

(Minimum 20 - Maximum 60 students)

Note: Subject to approval of BOS

UGC Approved MBA with AI (Dual Specialisation) - Year 2

1 Marketing (Major)

- Sales & Distribution Management
- Fundamentals of Digital Marketing & AI
- Retail Marketing Strategy
- Consumer Behaviour
- Global Marketing Strategy
- Services Marketing
- Green Marketing Project

2 Finance (Major)

- Tax Planning
- Investment Analytics
- Financial Modeling
- AI enabled Securities Analysis & Portfolio Management
- Fintech with AI
- Financial Risk Management using AI Tools
- Green Finance Project

3 Business Analytics & AI (Major)

- Programming for AI and Data Science
- Data Management and Warehousing
- AI and Machine Learning for Decision Makers
- NLP and Text Analytics
- Marketing Analytics/ Finance Analytics / Operations & Supply Chain Analytics
- Deep Learning and Neural Networks
- Agentic AI and Business Decision-Making

4 Marketing (Minor)

- Consumer Behaviour
- Retail Marketing Strategy
- Global Marketing Strategy
- Services Marketing

5 Finance (Minor)

- Banking & Micro Finance
- Mutual Fund Product & Strategy
- Financial Products & Services
- Wealth Management

6 Business Analytics & AI (Minor)

- Data Visualisation and Story Telling
- Web Analytics
- AI Ethics Governance and Responsible AI
- Cyber and Information Security

7 Global Operations & Supply Chain (Minor)

- Service Operations Manager
- Supply Chain and Logistic Management
- Lean Six Sigma
- Digital Supply Chain

Note:

- 1) Eligibility for Finance (Minor) is 60% in Term 1 & Term 2 + Internal Assessment Test (IAT)
- 2) Eligibility for BA & AI (Minor) is 60% in Business Statistics + 60% in Advance Excel + 60% in Research Methodology + Internal Assessment

Why Join Executive MBA?

- ✓ Executive MBA degree from India's First Ai University
- ✓ Cutting-edge AI Integrated curriculum
- ✓ Comprehensive program with focus on business fundamentals, leadership, analytical thinking, technology, and entrepreneurship
- ✓ Endorsed by 60 Global CEOs
- ✓ 3E MODEL- Ethics –Experiential Learning-Environment
- ✓ World Class Faculty & Industry Specialist
- ✓ CEO Talk- Leadership insights
- ✓ Trade Global Markets at Asia's 1 Global Trading Room
- ✓ Spaced learning gamification
- ✓ Interdisciplinary Approach
- ✓ Immersive AI Labs and Facilities
- ✓ Experiential learning through simulations, projects, and capstone courses
- ✓ Redefine the Leader in You
- ✓ Hybrid Learning Experience- Intense but Flexible

The AI workshop led by an industry veteran helped streamline routine tasks and enhance strategic thinking. Overall, my experience with UAI is amazing.

- Akash Gupta

UAI offers a balanced curriculum combining generative AI, business fundamentals, leadership, and technology. Inspiring CEO talks and a hybrid format make it ideal for working professionals.

- Vishakha Redij

Course Learning Outcomes

1

Develop leadership skills and strategic thinking

2

Enhance your business acumen and decision-making skills

3

Improve your communication and interpersonal skills

4

Expand your global perspective and cultural awareness

5

Change Management Expertise

6

Build a strong network of business professionals

7

Entrepreneurial Mindset

8

Ethical Leadership

9

Future-Ready Business Strategy

10

Be a Trailblazer

11

Industry Titans as Faculty

12

The Ethics, Experiential Learning, and Environment Model

The Executive MBA has been transformative, deepening my business knowledge and honing both technical skills and life perspective.

- Muskan Chourasia
Executive Assistant

Engaged in an intensive curriculum from AI algorithms to strategic business management, this Executive MBA is set to be a career game-changer.

- Avishkar Patil
Design Engineer

School of Management

Doctoral Program - Ph.D.

Ph.D. is a full-time, residential doctoral program offering studies in different fields of management and cross-functional areas. The program aims to train prospective scholars to become highly skilled and innovative researchers and teachers in various fields (aspects) of management and relevant areas. It primarily aims at preparing scholars for careers as faculty members at premier academic institutions and for position outside academics requiring advanced research and analytical capabilities.

Program Highlights

- Ph.D. at India's first Ai University, supported by cutting-edge technology and expert faculty.
- Doctoral candidates will work closely with faculty advisors and engage in independent research projects that contribute to the existing body of knowledge in their field.
- The skills developed during the Ph.D., including research, problem-solving, and analytical thinking, are highly transferable and sought after in various professional fields.
- Collaboration and Networking with 200+ CEOs & CXOs

A candidate can pursue research in the following areas:

- Computer Science
- Liberal Arts (Economics & Psychology)
- Management

Mode of Study: Full-time or Part-time

Visit Universal Ai website for the curriculum

Admission Criteria and Application Process

Undergraduate Programs | Postgraduate Programs | Executive Programs | Doctoral Programs

Undergraduate Programs

Applications are open from all streams (Science / Commerce / Humanities) and across all Indian & International Boards (IBDP / AP/ A-Level / HSC / CBSE or 12th Grade Equivalent). ***Experience India's 1st Metaverse & AI-based Admissions Process.***

Criteria and Weightage

Academics & Other Supporting Documents	50%
Entrance Test (Universal Ai / Other National Level Test / Portfolio)	25%
Interview	25%

1st Indian University to Accept AP Credits, CollegeBoard

India's 1st University to Fast Track degree (upto 6 months) with Cambridge A/AS Level & AP credits

Admission Process

Universal Ai University follows a rolling admissions policy. Rolling admissions means that other things equal, candidates who apply earlier have a higher likelihood of being accepted onto the programs of their choice. It also means that applications will be closed as soon as all the seats are filled.

The process comprises of four steps –

STEP 01

Filling the Application Form (Online) | Available on Universal Ai University Website | Application Fee is INR 2,000 / USD- 25/GBP 20/ EUR 22

Submit Documents | Attach Class 10th marksheet, Class 12th marksheet (if available at that time), Passport size, photograph, Statement of Purpose, 2 Letters of Recommendation, Extra-curricular or Co-curricular activities, Portfolio

STEP 02

STEP 03

Appearing for Universal Ai University Aptitude Test (UBSAT) / SAT / ACT / PEARSON / CUET / UGAT / JEE / MH CET / UCEED / NID / UAiAT/ Other National ET or Submitting a Portfolio

Appearing for the Personal Interview (PI) | All PI's will happen online via Zoom by an AI-Bot named Droid or a Faculty member

STEP 04

Once all four steps are completed, a candidate's application will be reviewed by the Admissions Committee in full. The final admission decision will take into consideration the overall candidature. Candidates who perform well in the admission process may be made a provisional offer of admission, even if their Class XII Board scores have not been declared until then.

Duration : 90 Minutes
100 questions
(No Negative Marking)

Test Format - Metaverse AI based UAiAT test and BOT PI at Eventuality Platform

English Language & Comprehension	20%
Quantitative Ability	20%
Green Thinking and Creativity	20%
Global & Indian Current Affairs	20%
Analytical & Logical Reasoning	20%

Postgraduate Programs

Admission Criteria and Application Process

Universal Ai University invites applications from all streams and boards (Indian & International).

The entire admission process is online. Interested candidates can fill the application form which is available on the website.

The application fee is INR 1500 / USD 21 / GBP 15 / EUR 18.

Selection Process

MBA (Single / Dual)	MBA Global with International Immersion

Rahul Thakurta's journey to Xiaomi Technologies is more than a chronicle of education; it's an odyssey of self-discovery, growth, and professional success. His story echoes the sentiment that the right blend of education, experiential learning, and mentorship can unlock boundless opportunities and shape destinies.

Ms. Rakshanda Hodekar, an alumna achieving the Quarter Award in her role as Assistant Manager (Artist & Repertoire) at Saregama India Ltd. Her journey is marked by unwavering commitment, tireless hard work, and exceptional contributions to her field. As we celebrate the success of one, we anticipate many more stories of achievement from our esteemed alumni.

Marketing

Raveena Srinivas

Sales Trainee

"Getting placed at L'Oréal feels like the perfect start to my career journey. The entire placement experience taught me how preparation, persistence, and self-belief can open big doors. I'm incredibly thankful to my faculty mentors and peers who constantly motivated me, and to the L'Oréal recruitment team for recognizing my potential. I can't wait to embark on this new chapter with a brand that inspires excellence, creativity, and innovation every single day."

L'OREAL

Adarsh Chitransh

Sales Officer Trainee

"Thrilled to begin my journey with Nestlé — the world's No.1 FMCG brand, where passion meets purpose. Grateful to Universal Ai University for shaping my skills and mindset to turn this dream into reality. Excited to apply my learnings, grow each day, and make a meaningful impact in the world of brands."

Finance

Ajay Yadav

Personal banker

"Working at HDFC Bank has been a rewarding experience that enhanced my financial acumen and professional growth in a dynamic, customer-focused environment."

Monil Mumbaiwala

Relationship Manager

"Working with Axis Asset Management Company as a Relationship Manager has been a valuable experience, where I gained training in financial products, client servicing, and objection handling. The company's mentorship and growth-driven culture enhanced my financial knowledge, communication skills, and confidence in managing client relationships effectively."

Operations

Pawan Bukshetwar

Sales Executive

"I am grateful for having completing MBA. As this course not only helped me with my professionalism but made me a trainable personnel. This course made me to look things in different perspectives, made me not to only do the job but get the job done."

Mrunalini Gumgaonkar

Branch Head

"The innovative teaching methodology and immersive experiential learning not only prepared us for real-world challenges but also played a crucial role in landing placements at leading firms. This invaluable experience has set us on a path to success in our careers."

Logistics & Supply Chain

Sakshi Singh

Management Trainee

"The experience has been extremely rewarding and has given me a sense of pride in serving my alma mater. Your expertise and support continue to empower our students to thrive in their careers."

Business Analyst

Monojit Bag

ESG Analyst

"I am delighted to make my Alma Mater proud. I had an enriching and rewarding journey at UAI where the faculty became my family and the opportunities I got to showcase my professional and research skills was unmatched."

Human Resource

Navya Dubey

HR Operations Associate

Working at Vodafone Idea as an HR Operations Associate has been nothing short of a blessing. Every day I learn from leaders who are exceptional at what they do and inspiring as people. Their guidance has shaped my thinking, strengthened my skills, and helped me grow in every way. Couldn't have asked for a better kickstart to my career than working at Vi.

Consulting

AMIT SANJEEV PANDEY

Universal Ai University Mascot - HawkAi

#SoarHigh #SoarFar #SoarFast #SoarStrong!

Unveiling by Padma Bhushan Gulzar Sahab & Tarun Anand, Chancellor

University Mascot Idea came from Dr. Simon Mak, Vice-Chancellor (MIT, USA)

Inspired by Guru Gobind Singh Ji, the Tenth Sikh Guru, a warrior, poet and philosopher who would carry a Hawk perched on his hands which is considered a symbol of heightened awareness, the ebb and flow of the Guru, the new mascot 'Hawk Ai' would symbolised the attributes of Universal AI University's mission to embrace the ever- soaring heights of new-age global education with standards, ethics, environment at its core in AI - led education. The mascot was unveiled by Padma Bhushan Shri Gulzar Sahab.

The slogan set, as a Cheer with the new mascot in motion was '**Soar High, Soar Far, Soar Fast, Soar Strong**'.

65 The values of our Mascot named HawkAi resonates with the values of Universal Ai, which are as follows: Freedom | Courage | Carefree and Open | Self-Reliance | Nobility

Women Power Play

We believe that women have a huge role in the community & can make a significant difference. Women will raise the next generation & educate them; that is why, at Universal Ai University, we care about women empowerment. We empower them to be leaders, to be strong, to reach the top echelons of management & positively impact our world.

52% Leaders are Women Leaders

44% of our Student Body is Woman (One of the highest in India)

"Woman a creation with different forms, A voice with multiple shades" Multiple small steps taken can cause a big change and it's our responsibility to take those baby steps to the visioned future So are you ready to take your step with us?

EXPERIENTIAL LEARNING

AI CELL

Lead Universal AI University in embedding AI across academics and operations—empowering all to thrive as AI creators or professionals, driving innovation and future-ready learning.

A DYNAMIC SPORTS COMMUNITY

Awarded with “Best Sports Integrated Program” by The Times of India, Universal Ai University focuses on holistic development of its students.

Student Services

CAREER DEVELOPMENT

Universal Ai University makes students corporate-ready alongside their academics. Our SAVI model begins with self-assessment of competencies, goals, and individual SWOT. Faculty and industry experts then validate and identify gaps, creating personalized roadmaps that build on student strengths through regular industry interventions.

HEALTH & MEDICAL FACILITIES

Minor injuries & ailments are taken care by our in-house nurse who is available round the clock for the students. In case of serious medical emergencies, Raigad Hospital is 25 minutes away from the campus & the Wardens personally aides the students. Disability Services : Keeping the motto of being an inclusive B-School, the campus has been designed to be disabled friendly and facilities are provided to the differently abled students.

VISA SUPPORT SERVICES

Partner University will facilitate students and enable them regarding the visa process and documentation.

PLACEMENT SERVICES

Our placement team operates across India, connecting students with 245+ companies for placement and internship opportunities. We facilitate interviews, selections, and help students build their professional network. Our Finance & Welfare Advisory team assists with education loans, installment options, eligibility guidance, documentation, and scholarships.

TRANSPORT FACILITIES

Daily transportation services are provided to & from Universal Ai University campus to Karjat station & market. Campus car & driver services are also available for the students on 12 hour hire basis. For local commutation, another option is auto rickshaws which is available from right outside the campus.

MENTORING & COUNSELLING

Each student has a mentor on campus who they meet every week on Tuesdays. The Mentor acts as the “Local guardian” & coaches the students on academic performance, personal issues, behavioural issues, personal grooming, current affairs, mock interviews & career building.

MULTI FAITH COMMUNITY

Universal Ai University is one big multi-faith family where all the cultural events & festivals across all religions are celebrated with great enthusiasm & love.

It's time to deepen our links with India - and our universities are showing the way

Business, government and universities all have a part to play in the growing trade relationship between India and the UK, says an Indian.

Prime Minister Theresa May and Indian Prime Minister Narendra Modi walk through the gardens of Hyderabad House in New Delhi

The relationship between the UK and India can be summed up with two words: opportunity and openness.

Initiatives such as the UK-India Business Council's CEO Forum and 2019's UK-India Year of Education, Research and Innovation are all helping to build new and stronger bonds. And to recognise this work, the CBI has recently published a report with Middlesex University entitled Bridges to the future: the role of universities in the UK-India relationship.

Interchange - For example, Cardiff Metropolitan University's partnership with Planet Edu-UK and Universal AI University is an excellent example of the fruits that are borne through the interchange between business and universities in both countries.

Cardiff Met also has a partnership with Universal AI University (UAI). The residential campus is in Karjat, an hour's drive from Mumbai. Currently UAI has two courses with Cardiff Met, MBA and BA Business and management (BABB).

The partnership is expanding steadily and there are long-term plans to expand the courses available. UAI has excellent links with industry, and has a governing body comprising over 50 eminent academics and business leaders from India and beyond. Students therefore benefit from a wide array of guest tutors to enhance their academic learning.

Can Learning AI Tools in Design Courses Give You an Edge in Creative Careers?

Can learning AI tools as part of design courses actually give them a competitive advantage in their jobs? The answer is definitely yes, and here's why.

Published on: Oct 01, 2023 2:35 PM IST
By: [Name]

Artificial Intelligence (AI) is no longer limited to engineering laboratories or coding-intensive sectors as it is transforming creative careers as well. Based on a McKinsey report issued in 2023, almost 75% of businesses in various industries will implement at least one AI tool by 2030, with design-intensive sectors such as advertising, fashion, and digital media being the leaders. For young artists, this presents an interesting question: Can learning AI tools as part of design classes actually give them a competitive advantage in their jobs? The answer is definitely yes, and here's why.

The Sunday Guardian

WHY AI SHOULD BE A FOUNDATION OF EDUCATION IN UNIVERSITY COURSES

CREATING FUTURE-PROOF GRADUATES

In today's rapidly changing world, universities must equip students with the skills and knowledge needed to thrive in a future dominated by artificial intelligence (AI). Integrating AI into university curricula is not just a trend; it's a necessity to ensure graduates are competitive in the global job market.

AI-DRIVEN PERSONALIZED LEARNING EXPERIENCES

AI-powered learning management systems (LMS) can tailor educational content to individual students' needs, learning styles, and paces. This personalized approach enhances engagement and improves learning outcomes, preparing students for the customized demands of the modern workplace.

DEVELOPING CRITICAL THINKING AND PROBLEM-SOLVING SKILLS

AI tools can simulate complex scenarios and problems, requiring students to analyze data, identify patterns, and develop innovative solutions. This process fosters critical thinking and problem-solving skills, which are essential for tackling the challenges of the 21st century.

ENHANCING RESEARCH AND INNOVATION

AI can significantly accelerate the research process by analyzing vast datasets, identifying trends, and suggesting new directions for inquiry. This capability encourages students to explore new frontiers and contribute to the advancement of knowledge.

FROM INFORMATION CONSUMERS TO KNOWLEDGE CREATORS

The integration of AI in education shifts the role of students from passive recipients of information to active creators of knowledge. By leveraging AI tools, students can conduct more in-depth research, collaborate effectively, and produce original work that contributes to the field.

CONSTRUCTING INCLUSIVE AND RACIAL JUSTICE: BUILDING THE DIGITAL FUTURE

As we move forward, it's crucial to ensure that the benefits of AI in education are accessible to all. Universities must focus on digital literacy and provide resources to support students from diverse backgrounds, ensuring a fair and inclusive path to the digital future.

Mumbai – The City of Dreams - Best of Both Worlds

Universal Ai University's Karjat Campus is the 'best of both worlds' dynamic – secluded campus with quick access to the fabled City of Dreams, Mumbai – makes for an unforgettable experience for Universal Ai University students.

“Mumbai is an epitome of cinema, arts, music, business and history”. “It’s hard to not fall in love with such a magnificent city because of its vibrancy, style, street food, and nightlife. Its close proximity to Mumbai (1.5 hours drive) allows us to attract top CEOs and CXOs from the corporate world who find Karjat a green haven. Karjat Known as the 'Hamptons of Mumbai', Karjat's natural beauty – mountains, rivers, lakes, and waterfalls – creates a pollution-free environment that attracts top CEOs and CXOs as guest speakers.

Living in the lap of nature and the heart of greenery gives a completely pollution-free environment which adds one year to the student's life and well-being.

Our residential campus enables 24/7 transformative learning, with 50% of education happening outside classrooms through experiential activities. Students save commute time for better pursuits: rest, sports, hobbies, reading, and entertainment – all while living in the lap of nature. The vibrant proximity to Mumbai's cinema, arts, business, and culture, combined with Karjat's serene greenery, makes for an unforgettable student experience.
