

AI SUMMER RESIDENCY 2026

Co-created with
MIT International Science & Technology Initiatives (MISTI)- India

MISTI MIT Global Experiences

MIT Center for
International Studies
MIT-South Asia | India

Academic Host & Institutional Partner

India's 1st
AI University
Karjat

Program Lead

Dr. Simon Mak

Vice Chancellor, Universal AI University
Alum, Massachusetts Institute of Technology

Cohort 1

14 - 17 May 2026

Cohort 2

04 - 07 June 2026

Cohort 3

09 - 12 July 2026

Summer Camp is for Management, Music, Design, Liberal Arts & Tech Aspirants

Why Choose the AI Summer Residency?

AI is Universal. Future-Proof your Career:

From doctors to designers, AI is the future co-pilot for every profession.

Co-created with the MIT - India Program:

Program designed by the MIT Global Teaching Labs, under the MIT International Science & Technology Initiatives (MISTI) - India.

Experience India's First AI University:

Immerse yourself in the high-tech campus. Experience specialized labs and an environment built entirely for the AI revolution.

Project-based Learning:

Don't just learn theory - build a real working prototype during the Capstone Sprint. Identify a problem and architect your own AI solution.

MIT-Affiliated Certification:

Earn a prestigious certificate endorsed by the MIT Global Teaching Labs and the Universal Ai University. Letters of Recommendation for top performers.

Accelerate

Your Learning Curve with AI

✦ **AI-Augmented Thinking & Workflow Design**

Master new-age AI tools to automate tasks, streamline your academic workflow, and use technology ethically.

✦ **AI-Powered Finance**

At the **Thomson Reuters Trading Room**, experience AI-driven market predictions, automated trading, and financial decision-making.

✦ **AI in Creative Systems**

Discover how AI generates soundscapes and revolutionizes production in the **Music Recording Studio**.

✦ **High-tech AI Experience Labs**

Immerse yourself in spatial computing and future-ready learning models in the **High Tech AR/VR/MR Lab**.

✦ **Unlock Future Readiness**

Navigate new-age career paths and crack top college applications with strategic AI upskilling.
